

Job ID: Physician Assistant

Position Type: Full Time

Job Description:

Nevada Orthopedic & Spine Center is celebrating twenty years of orthopedic excellence by providing quality comprehensive orthopedic care and setting the standard in Southern Nevada. Whether it is the treatment of immediate, chronic, pediatric, or work-related injuries, we strive to provide optimal health care until our patients complete their journeys back to good health.

Our staff proudly works as a team to ensure that each patient receives the highest level of personalized quality care and customer service. Our employees are the foundation of Nevada Orthopedic & Spine Center. They are an integral part of our diverse and expansive community that includes orthopedic surgeons, physician assistants, nurse practitioners, medical assistants, non-clinical healthcare professionals, and support staff. Our employees contribute to the health system's success and growth.

Our practice has fifteen board certified and board eligible orthopedic surgeons focusing on a wide range of specialties to fit the patient's individual needs. You will work directly with our physicians with specialties in Musculoskeletal Oncology, Spine, Sports Medicine, Elbow, Wrist and Hand, Foot and Ankle, Joint Replacement, Pediatrics, and Trauma. Successful candidates should be PA-certified, hardworking, able to work in a team oriented environment. They should have a combination of experience with first assist, pre and post-operative follow-up, call coverage, hospital rounding, writing scripts and evaluating diagnostics. Critical Care or Trauma experience preferred.

Our practice offers benefits to our employees and their dependents including:

- Medical/ Dental/ Vision/ Life Insurance
- 401k with company match
- Accrued vacation and paid holidays

Our employee mission is "Making a Difference." Nevada Orthopedic & Spine Center provides equal opportunity to all of our employees and applicants for employment in our, drug free environment. If you are looking to join a progressive, dynamic and established practice where your professional contributions will be respected, please submit your resume.
